Experience

- **Omny AS — Oslo, Norway** 2024 – 2026
Lead Product Experience Designer
Building AI software for securing critical infrastructure operations against cyber threats across IT/OT environments. Established discovery–execution roadmaps across 3 teams, translating customer workflows into prioritized requirements and end-to-end experiences for Asset Owner, IT/OT Engineer, CISO, and SOC operator.
- **Forsta AS — Oslo, Norway** 2021 – 2024
Lead UX Designer
Forsta provides Customer Experience and Research Technology for some of the world's most ambitious organizations. Lead all UI and UX design efforts regarding the Reporting Software Solutions conformed by Dashboard Studio, Genius AI and Machine Learning Text Analytics and Forsta Visualizations.
- **Confirmit AS — Oslo, Norway** 2019 – 2021
Senior UX Designer
Owned UX/UI for Dashboard Studio and Genius Text Analytics, helping enterprise customers turn large volumes of quantitative and qualitative feedback into action. Built a unified design system that improved team productivity and ensured consistency with frontend development.
- **Earlier Career:** 2012 – 2019
Co-founder and Product Designer at AW Initiative (2018–2019). Co-founder and CPO at Glimty (2015–2018). IT Development Consultant for The Ivy Faculty Consortium (2014–2017). Automation Engineer at E3T-UIS (2013–2014). Research Assistant at Texas A&M University (2012–2013).

Education

- Norwegian University of Science and Technology (NTNU) 2014–2017
Master's Degree in Interaction Design (Thesis delivered in 2019)
- University of Oslo (UiO) 2015–2017
